DECLARATION OF CONFORMITY

This is to certify that samples of the following series of navigation lights manufactured by Lalizas Hellas, 3 Gounari, Piraeus 18531, Greece have been tested by IMANNA Laboratory, Inc. and found to meet the requirements for Navigation Lights for Recreational Boats less than 65 feet in length as stated in the following:

- 1) USCG regulations 33 CFR 183, Sub Part M, Navigation Lights,
- 2) ABYC A-16, Navigation Lights for Recreational Vessels under 65 Feet in Length,
- 3) NMMA Navigation Light Certification Program using ABYC Standard A-16

The following lights were tested in accordance with the Regulations and Standards listed above and found to successfully meet the requirements for Navigation Lights for Recreational Vessels up to 65 feet in length.

Lalizas Hellas Series Tested:

- 1) FOS LED 12
- 2) FOS LED 20

I, the undersigned, hereby declare that the equipment specified above conforms to the above Regulations and Standards.

Place: Rockledge, Florida
